Which CAMPUS cards can I add to Samsung Pay?

You can add your CAMPUS Visa Debit Card or any CAMPUS Visa Credit Card.

Where can I use Samsung Pay?

Use your CAMPUS Visa Debit Card or any CAMPUS Visa Credit Card with Samsung Pay almost anywhere you can swipe or tap a credit card or debit card.

Does CAMPUS charge members to use Samsung Pay?

There is no cost to members for this service.

Is Samsung Pay safe and secure?

Yes. Samsung Pay does not store your debit or credit card numbers on the device. Samsung Pay uses a safety feature called tokenization which represents your debit or credit card number to pay. When you authenticate your purchase, a secure code that is valid for that purchase only, is generated, and you no longer need a card number.

How do I make purchases with Samsung Pay?

There are 3 simple steps to pay with Samsung Pay.

1. Swipe up from the home button or select the Samsung Pay app icon from your home screen or app tray.
2. Authorize your payments with your fingerprint or by entering your pin.
3. To pay, hold your phone over the merchant's payment reader.
