More about *Hand to God*: A five-time TONY nominated play, a New York Times and Time Out New York "Critics Pick" and hailed as the "Best play of the season" by the Huffington Post, HAND TO GOD has been praised from coast-to-coast as one of the most original new theatrical works of our generation.

In a small Texas church, children are taught to obey the Bible in order to evade Satan's wrath. But no one could have expected what happens when one devout young man's sock puppet takes on a totally shocking personality all its own.

In this hilarious and lightning-paced comedy, a foul-mouthed sock puppet named Tyrone riffs on everything from faith, to family, to the lustful and anti-social stirrings that lurk deep inside the hearts of the devout people of this small Texas town.
