

**What is Google Pay™?**

Google Pay is a secure and convenient way to pay with your Android mobile device.

**Which devices will support Google Pay?**

Google Pay can be used in devices that have Android Lollipop (5.0) or higher.

**Which CAMPUS cards can I add to Google Pay?**

You can add your CAMPUS Visa Debit Card or any CAMPUS Visa Credit Card to Google Pay.

**Where can I use Google Pay?**

Use your CAMPUS Visa Debit Card or any CAMPUS Visa Credit Card with Google Pay almost anywhere you can swipe or tap a credit card or debit card.

**Does CAMPUS charge members to use Google Pay?**

There is no cost to members for this service.

**Is Google Pay safe and secure?**

Yes. Google Pay does not store your debit or credit card numbers on the device. Google Pay uses a unique virtual account number for the card on that device and keeps all your payment information encrypted on secure servers.

**How do I make purchases with Google Pay?**

With Google Pay, there is no need to open the app. Just unlock your device, hold your device over the merchant's payment reader and you'll receive a confirmation on the screen letting you know the payment was received.
